1 1 1

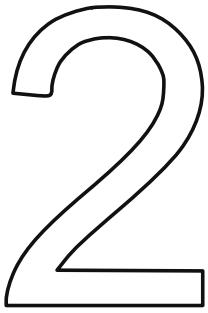
Write the number yourself.

Draw this many dots.

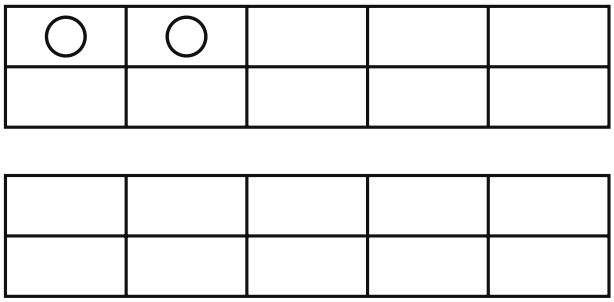
Name: _____

Number 2

Say the number. Count, trace and write.



Count the marks. Each frame has ten cells.



Trace the number with your pencil.

2 2 2

Write the number yourself.

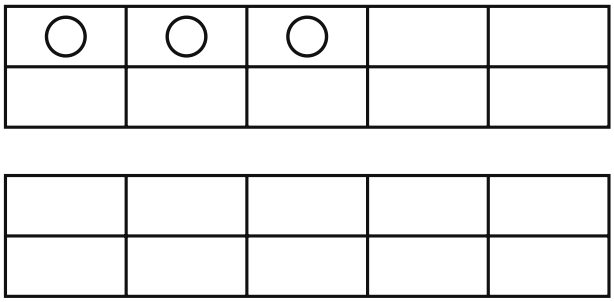
Draw this many dots.

Name: _____

Number 3

Say the number. Count, trace and write.

Count the marks. Each frame has ten cells.



Trace the number with your pencil.

3 3 3

Write the number yourself.

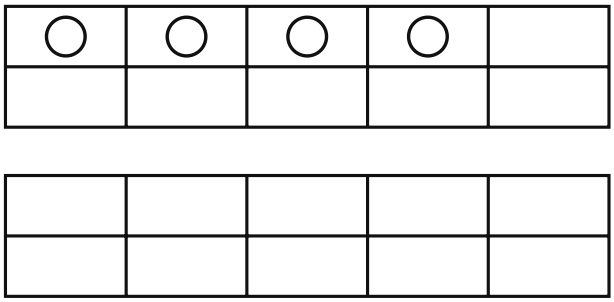
Draw this many dots.

Name: _____

Number 4

Say the number. Count, trace and write.

Count the marks. Each frame has ten cells.



Trace the number with your pencil.

4 4 4

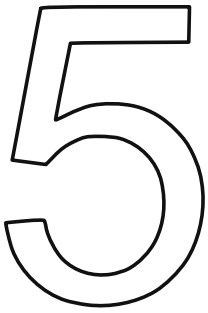
Write the number yourself.

Draw this many dots.

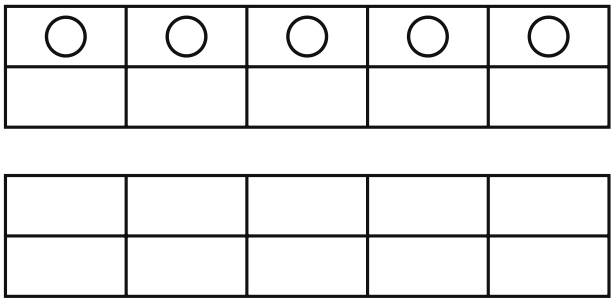
Name: _____

Number 5

Say the number. Count, trace and write.



Count the marks. Each frame has ten cells.



Trace the number with your pencil.

5 5 5

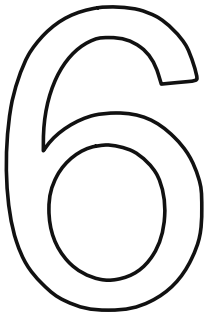
Write the number yourself.

Draw this many dots.

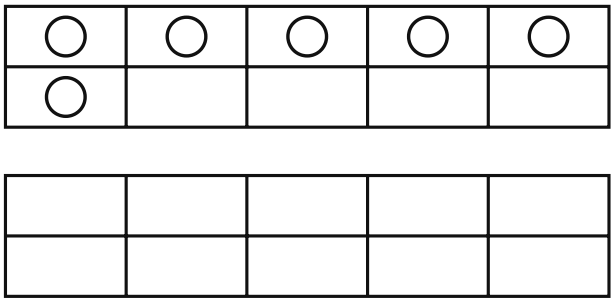
Name: _____

Number 6

Say the number. Count, trace and write.



Count the marks. Each frame has ten cells.



Trace the number with your pencil.

6 6 6

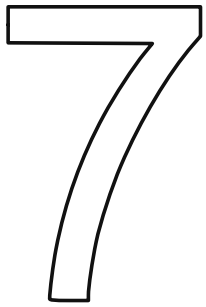
Write the number yourself.

Draw this many dots.

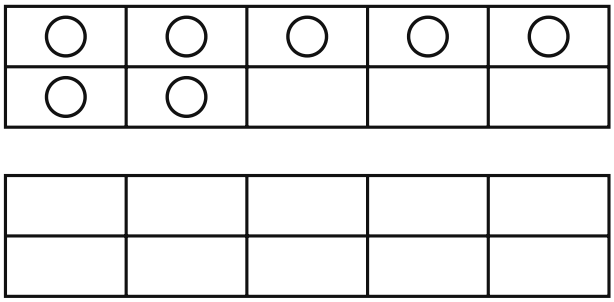
Name: _____

Number 7

Say the number. Count, trace and write.



Count the marks. Each frame has ten cells.



Trace the number with your pencil.

7 7 7

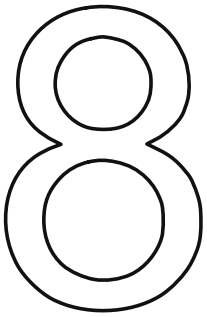
Write the number yourself.

Draw this many dots.

Name: _____

Number 8

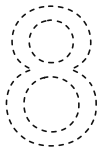
Say the number. Count, trace and write.

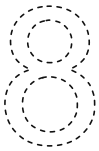


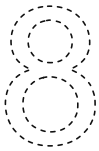
Count the marks. Each frame has ten cells.

○	○	○	○	○
○	○	○		

Trace the number with your pencil.







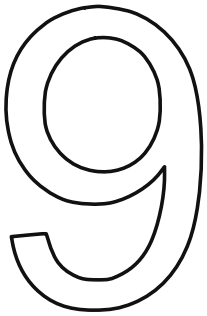
Write the number yourself.

Draw this many dots.

Name: _____

Number 9

Say the number. Count, trace and write.



Count the marks. Each frame has ten cells.

○	○	○	○	○
○	○	○	○	

Trace the number with your pencil.

9 9 9

Write the number yourself.

Draw this many dots.

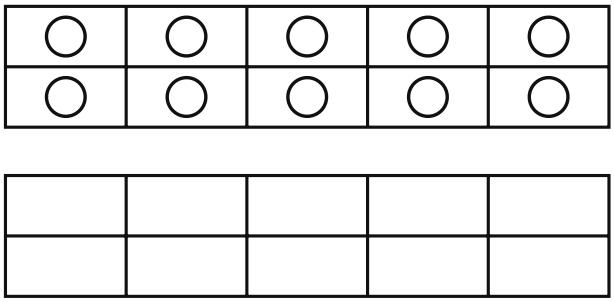
Name: _____

Number 10

Say the number. Count, trace and write.

10

Count the marks. Each frame has ten cells.



Trace the number with your pencil.

10 10 10

Write the number yourself.

Draw this many dots.

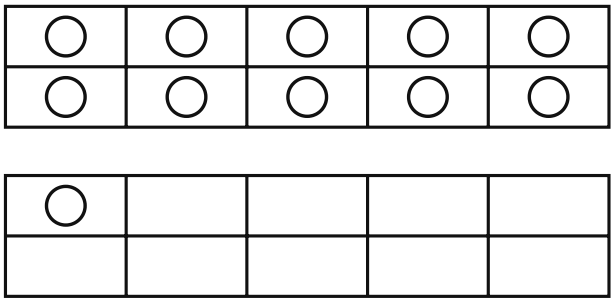
Name: _____

Number 11

Say the number. Count, trace and write.

11

Count the marks. Each frame has ten cells.



Trace the number with your pencil.

11 11 11

Write the number yourself.

Draw this many dots.

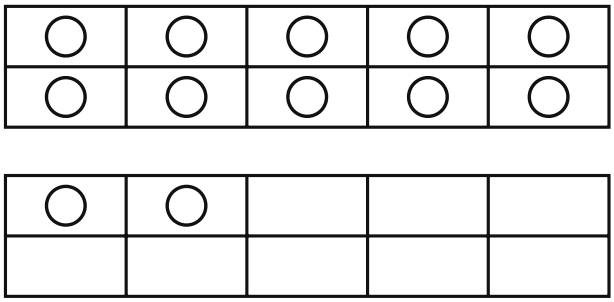
Name: _____

Number 12

Say the number. Count, trace and write.

12

Count the marks. Each frame has ten cells.



Trace the number with your pencil.

12 12 12

Write the number yourself.

Draw this many dots.

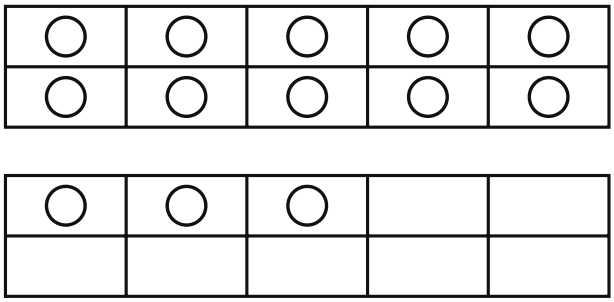
Name: _____

Number 13

Say the number. Count, trace and write.

13

Count the marks. Each frame has ten cells.



Trace the number with your pencil.

13 13 13

Write the number yourself.

Draw this many dots.

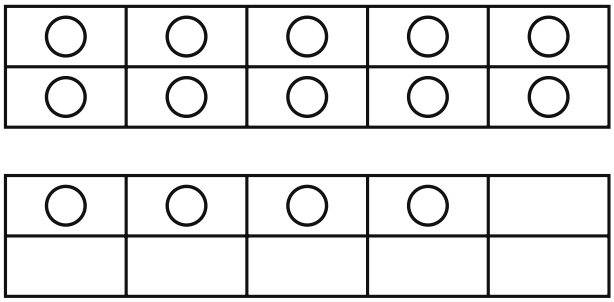
Name: _____

Number 14

Say the number. Count, trace and write.

14

Count the marks. Each frame has ten cells.



Trace the number with your pencil.

14 14 14

Write the number yourself.

Draw this many dots.

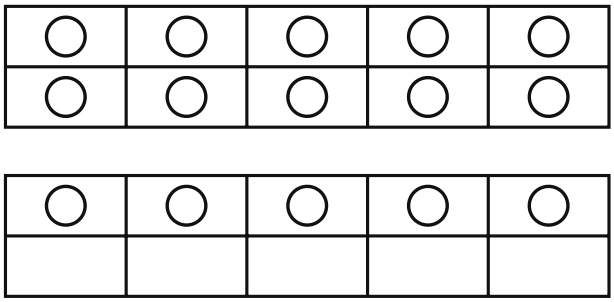
Name: _____

Number 15

Say the number. Count, trace and write.

15

Count the marks. Each frame has ten cells.



Trace the number with your pencil.

15 15 15

Write the number yourself.

Draw this many dots.

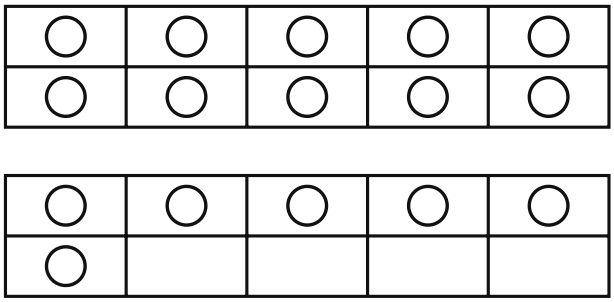
Name: _____

Number 16

Say the number. Count, trace and write.

16

Count the marks. Each frame has ten cells.



Trace the number with your pencil.

16 16 16

Write the number yourself.

Draw this many dots.

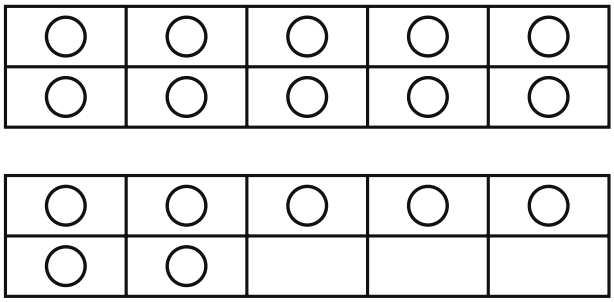
Name: _____

Number 17

Say the number. Count, trace and write.

17

Count the marks. Each frame has ten cells.



Trace the number with your pencil.

17 17 17

Write the number yourself.

Draw this many dots.

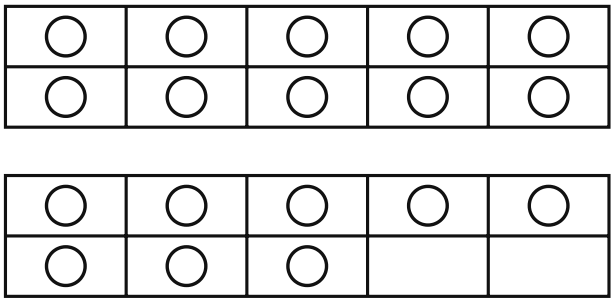
Name: _____

Number 18

Say the number. Count, trace and write.

18

Count the marks. Each frame has ten cells.



Trace the number with your pencil.

18 18 18

Write the number yourself.

Draw this many dots.

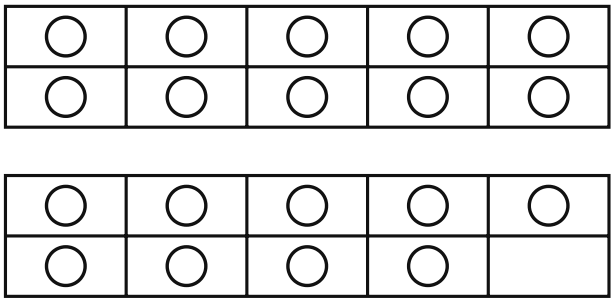
Name: _____

Number 19

Say the number. Count, trace and write.

19

Count the marks. Each frame has ten cells.



Trace the number with your pencil.

19 19 19

Write the number yourself.

Draw this many dots.

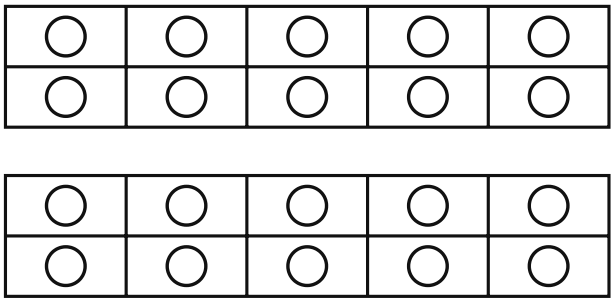
Name: _____

Number 20

Say the number. Count, trace and write.

20

Count the marks. Each frame has ten cells.



Trace the number with your pencil.

20 20 20

Write the number yourself.

Draw this many dots.

Name: _____
